

DEAR PARENTS / GUARDIANS,

A warm welcome to a new school year! My name is Holly and I am the Speech & Language Therapist for The Parkgate Academy.

I am here to work with staff to identify any children who we feel may benefit from extra support with their speech and language skills and ultimately develop their confidence.

If we feel your child needs to be seen in school, you will be given a consent form to sign, even if you completed one last year.

If at any time you have any questions or concerns, I am here to help! I am in school every Monday or you can get in touch by contacting the school office or send me an email.

Yours sincerely,

Mrs. Holly Harris
Speech & Language Therapist

The Parkgate Academy
