## **1. AIMS**

All Forge Trust Academies are committed to providing a caring, supportive and disciplined learning environment. Positive behaviour and attitudes are promoted so that pupils can develop their abilities, interests and achieve their full potential.

We believe that good teaching promotes good behaviour and positive attitudes to learning. We will ensure that we provide a positive learning environment where pupils feel safe and secure.

## **2. POLICY DEVELOPMENT**

This policy was formulated in consultation with the:

- Chief Executive Officer (Lee Hessey)
- Chair of Trustees of the Forge Trust (Sue Trentini)
- Trustees of the Forge Trust

## **3. LEGAL POWERS**

### **1. The Power to Discipline**

Sections 90 and 91 of the Education and Inspections Act 2006 provides schools with the statutory power to discipline pupils for breaches of school rules, failure to follow instructions and other unacceptable conduct.

DfE guidance to schools and academies clearly indicates that teachers can discipline pupils whose conduct falls below the standard which could be reasonably be expected by them. This means that if a pupil misbehaves, breaks a school rule or fails to follow a reasonable instruction school staff can impose a sanction.

To be lawful, the decision to sanction a pupil must satisfy the following three conditions:

- The decision to punish a pupil must be made by a paid member of school staff or a member of staff authorised by the Head of School or Executive Principal;
- The decision to sanction the pupil and the sanction itself must be made on the academy premises or while the pupil is under the charge of the member of staff;

And

- The sanction must not breach any other legislation and it must be reasonable in circumstances.

A sanction must be proportionate. In determining whether a sanction is reasonable, section 91 of the Education and Inspections Act 2006 says the sanction must be reasonable in all the circumstances and that account must be taken of the pupil's age, any special educational needs or disability they may have and any religious requirements affecting them.

Any form of corporal punishment is illegal.

## **2. The Use of Detention**

Teachers have the legal power to issue detentions to pupils in and out of school hours and Forge Trust Academies have the right to make use of this power.

## **3. Power to Search and Confiscate**

The Forge Trust reserves the right to use teachers' powers to search without consent, in accordance with the current DfE guidance. Staff may use the power to search without consent for 'prohibited items' including but not restricted to:

- Knives and weapons
- Alcohol
- Illegal drugs
- Stolen items
- Tobacco and cigarette papers
- Fireworks
- Pornographic images
- Any article that has been or is likely to be used to commit offence, cause personal injury or damage to property

The 'general power to discipline' enables a member of staff to confiscate, retain or dispose of a pupil's property as a sanction, so long as it is reasonable in the circumstances. The law protects them from liability for damage to, or loss of, any confiscated items provided that they have acted lawfully.

## **4. Power to Use Reasonable Force**

Members of staff have the power to use reasonable force to prevent pupils committing an offence, injuring themselves or others, or damaging property, and to maintain good order and discipline in the classroom.

Heads of schools and other authorised staff (usually members of SLT) may also use such force as is reasonable given the circumstances when conducting a search without consent for knives and weapons, alcohol, illegal drugs, stolen items, tobacco

and cigarette papers, fireworks, pornographic images or articles that have been or could be used to commit offence or cause harm.

## **5. Isolation**

In The Forge Trust, isolation is used when a child is given an internal exclusion (see appendix 1).

Time in isolation should be constructive, with work set that is appropriate to individual pupil needs.

## **6. Pupils' Conduct Outside of School**

In accordance with DfE guidance, members of the SLT in each academy may issue sanctions in response to non-criminal bad behaviour and bullying which occurs off the school premises and which is witnessed by a member of staff or reported to the school.

*Members of SLT may discipline pupils for misbehaviour when the pupil is:*

- Taking part in any school-organised or school-related activity or
- Travelling to or from school or
- Wearing school uniform or
- In some other way identifiable as a pupil at the school

In all cases of misbehaviour, staff can only discipline pupils whilst they are on school premises or whilst under lawful control of the staff member.

## **4. EXPECTATIONS**

## **1. Behaviour**

All Forge Trust Academies expect pupils to follow the Forge Trusts rules and behave with consideration and respect towards other pupils, members of staff and the public at large. This applies when in the academy, travelling to and from the academy, whilst on academy trips and when identifiable as a pupil of the Forge Trust.

## **2. Promoting positive behaviour**

All members of staff are responsible for maintaining good discipline and high standards at all times: in class, in corridors, between lessons, during break and lunch time and so on. Rewards and sanctions will be used as and when needed.

## **3. Behaviour for Learning**

Pupils are expected to demonstrate positive attitudes towards their learning and others. Pupils with poor behaviour for learning will be sanctioned in accordance with this policy.

## **4. Conduct around Forge Trust Academies**

To ensure the Health and Safety of pupils, members of staff and visitors, we expect all pupils to:

- Walk on the left except in emergency situations;
- Not run in any academy building;
- Dispose of litter in bins;
- Queue in single lines when waiting for a teacher;
- Listen to the guidance of staff and follow their instructions at all times – 'Respect' is a core value of The Forge Trust and we expect pupils to be respectful at all times
- Move around calmly

And

- Adhere to the uniform dress code at all times.

## **5. Shared responsibility**

Promoting good behaviour and discipline in pupils should be a partnership between home and school.

We share responsibility with parents for their children in our care and make every effort to provide the care which any responsible parent would expect to give.

Parents are asked to sign The Forge Trust Pupil/Parent Guarantee (appendix 2).

## **6. Violence**

All instances of violence, verbal or physical are unacceptable and will be dealt with in accordance with this policy. Verbal abuse, including racism, bullying or violence towards any pupil or member of staff will result in the pupil being sanctioned.

## **5. REWARD SYSTEM**

All Forge Trust Academies expect pupils to follow the Forge Trusts rules and behave with consideration and respect. Pupils who consistently display good behaviour will be rewarded.

Pupils are rewarded both as a class and on an individual basis. As a class, pupils can be rewarded for the best class attendance which is awarded on a weekly basis.

Teachers and pupils also choose a 'Star of the Week' every week. They will also receive a Star of the Week certificate that they receive in the 'Superstar Assembly'. In each class, children are able to acknowledge the kind actions/good behaviour of their peers. Teachers will collect the children's ideas following Superstar Assembly and celebrate the achievements that have been noticed by pupils in the class.

When pupils join the Forge Trust they are put into one of the Four Houses. At The Parkgate Academy, the houses are as follows:

1. Rufford
2. Thoresby
3. Welbeck
4. Clumber

Houses Captains (Year 6 pupils) will collect the team point sheets every Friday. The Principal will then reveal the number of team points over the course of that week during the 'Super Stars Assembly'. The use of the House System and awarding house points is not intended to replace effective behaviour management strategies but to enhance them and provide further motivation for pupils to succeed.

Each class will have team point sheets clearly displayed. Pupils will record their own points when awarded them by teachers and staff. Lunchtime staff will have tokens (different colours for each house) and will give these to children if they feel they deserve a house point.

Pupils can be awarded individual house points for:

- A quality piece of work that exceeds teacher's expectations
- Extra effort, e.g. academy work, home learning
- Excellent presentation
- Trying their best
- Improvements in behaviour and attitude
- Good manners

- Showing respect, e.g. holding doors for others
- Effective teamwork
- Helping and including others
- Showing initiative, e.g. to look after the classroom
- Being an Independent Learner
- Progress in test results
- An exceptional response to a question
- Contributing positively in lessons
- 100% effort
- Positive attitude towards learning, e.g. 'Thinking outside the box'

Individually, children will receive a certificate for 20 House Points, a certificate and badge in their house colours for 50 House Points and a certificate and gold badge for 100 House Points.

Each term, the winning house (the house with the most points) will receive a reward that they can enjoy collectively.

## **6. SANCTIONS**

### **1. General Incidents**

Sanctions exist to support effective behaviour management and compliance to school expectations. Each incident needs to be considered in context and individual circumstances need to be considered.

Unacceptable behaviour is when a pupil does not adhere to the Forge Trust's expectations. Unacceptable behaviour includes the following:

- Talking in class during times of silence or when someone else is speaking
- Inappropriate comments and remarks
- Rudeness
- Poor manners
- Inappropriate language
- Disruption of learning to others
- Failure to complete home learning
- Persistent infringement on uniform rules (as long as the infringement is judged to be under the control of the child)
- Damage to property
- Running along corridors

Sanctions are in stages: -

1. A child will initially be given a verbal warning
2. There is a second verbal warning
3. Next the child will be sent to their partner class:  
The child will be spoken to by the partner teacher and then sent to a quiet place in the classroom to continue with their work. They will then go to the next 'Time Out session' (either Break or Lunch) and this will be noted down on CPOMs by the member of staff issuing the sanction. The member of staff who sanctions this will also ensure the child attends the 'Time Out' session
4. If on returning to the class, the behaviour is repeated (after Steps 1-3) then the child will be sent to either the Principal or a member of the Senior Leadership Team and the class teacher will meet with the child's parents
5. If unacceptable behaviour is still persistent and the child has visited a member of the Senior Leadership Team on three occasions in a half term, a meeting will be arranged between the Principal or Vice Principal, the class teacher and the parents
6. Failing all the steps above in modifying the child's behaviour, the academy will seek additional support from outside agencies, e.g. Lead Behaviour network, PSED team and the Educational Psychologist and a meeting will be arranged with parents
7. Persistence with the unacceptable behaviour (even with outside agency involvement) will result in the most appropriate sanction, e.g. Internal or Fixed Term Exclusion
8. If the unacceptable behaviour is still persisting after significant input and support from everyone involved with the child then the most appropriate provision for the child will be determined, e.g. Alternative Provision, Managed Move or Permanent Exclusion

## **2. Serious Incidents**

If a pupil's behaviour is persistent or is of a serious nature, their sanction may include the use of a fixed term or a permanent exclusion from school. In the case of exclusions, Forge Trust Academies will follow the trusts Exclusion Escalation (see appendix 1) and the appropriate DFE guidelines.

## **7. RECORD KEEPING**

All incidents (behaviour, racial or possible bullying) are recorded on CPOMS.

In academies that do not have CPOMS, incidents will be recorded on Forge Trust 'Incident Forms' (see appendix 3). These sheets are filled in when a serious incident take place. Incidents that are racial are recorded separately on Forge Trust 'Racial Incident Forms' (see appendix 4) and incidents that are potentially bullying are recorded separately on Forge Trust 'Possible Bullying Forms' (see appendix 5).

All forms are completed by class teachers, teaching assistants, play leaders or other members of staff. Forms must be handed to the pastoral/behaviour lead who will file them securely. They are very important documents as they provide evidence to refer to when dealing with any further incidents, parents and outside agencies.

## **8. Time to Talk**

The Forge Trust understands the importance of giving pupils a safe space to discuss any worries that they may have. Pupils are able to meet with the pastoral lead or a staff member of their choosing at different points each week. These sessions will include discussions around friendships, general concerns and worries, mental health issues and managing emotions.

## APPENDIX 1 - The Forge Trust Exclusion Escalation

### Exclusion Process

Stage of exclusion	Description

3. (Third offence)	External exclusion for 2 days, with a warning that further problems will result in a 3 day exclusion. A re-admission meeting will take place before returning to school. At this point a chronology and support plan will be put in place as part of the re-admission.
4. (Fourth offence)	External exclusion for 3 days, with a warning that a further offence will result in a 5 day exclusion. A re-admission meeting will take place before returning to school. The support plan will be reviewed and at this point a written warning is given regarding permanent exclusion. A new support plan will be put in place.
5. (Fifth offence)	External exclusion for 5 day, A behaviour panel meeting, consisting of a member of SLT and a trustee, takes place to discuss future support plan and possible alternative provision/part time timetable. A warning will be given that a further incident will almost certainly lead to a permanent exclusion.
6. (Sixth offence)	Depending on the circumstances, this will normally be a permanent exclusion. The principal will make this recommendation to the Trustees. This is the most severe sanction and will be reviewed by the Trustees.

An exclusion may be enforced for offences such as:
